(Narrator): Diego's mom peeked into the room. "Diego, are you ready to go to sleep?" "No, Mom. I have to prepare my backpack for school tomorrow," he said while putting the school supplies on top of his bed. Diego liked having an organized backpack. This helped him feel ready for the day. First, Diego made sure his backpack was clean on the inside. Then, he put his notebooks inside. Next, he added his books. The final step was to put his pencil case in the front pocket.
