(Narrator): Listen to a story about a boy's shoes. You will answer questions 1 through 3 based on this story.

(Pause 2 seconds.)

(Narrator): Kennet loves the new shoes he got. They are as blue as the summer sky and have three white stripes. Kennet thinks his shoes are wonderful. Every day, after he gets home from school, he puts them back in their box. When they get dirty, he cleans them carefully with soap and a damp cloth. Kennet never leaves his shoes lying around the house, not even on the floor of his room. He takes pride in keeping them clean. He knows that one day, when he outgrows his shoes, they will be in perfect condition to pass on to someone else. Kennet feels happy when he takes care of his favorite shoes.
