(Narrator): Melissa has had her dog Coco since he was a puppy. Coco is a lively dog who loves cookies and peanut butter. He has lived with Melissa's family for five years, and they wanted to celebrate that. Melissa asked her school librarian to help her find a peanut butter cookie recipe for dogs. Mrs. Soto and Melissa looked online and found the perfect recipe for Coco.

Melissa and her family planned to bake the cookies together and then take Coco for a walk. While they baked the cookies, Coco enjoyed the smell. As soon as the cookies cooled down, Melissa tossed one to Coco. He jumped and caught it in midair. He loved every single bite and was ready for more. Later, they took Coco for a walk, but he was ready to go back home and eat more cookies. Melissa and her family were happy to share one more year with their four-legged friend.
